HEARINGS OFFICER MEETINGS ORDER OF PROCEEDINGS

THE HEARING WILL BE CONDUCTED with the staff presentation first, followed by the applicant's case, and questions from the Hearings Officer. Due to the Covid-19 pandemic, testimony from neighborhood organizations, persons in favor or opposition, and rebuttal by the applicant will be limited to written testimony. The record will be held open to allow for additional written testimony. Please direct any additional comments to the Case Manager.

THE APPLICANT HAS THE BURDEN OF PROOF to show that the approval criteria can be satisfied by the facts. Opponents may rebut the applicant's testimony by showing alternative facts or by showing that the evidence submitted does not satisfy the approval criteria. Any participant may request that the hearing be continued or that the record be left open for submission of additional evidence or testimony.

HEARINGS OFFICER DECISIONS are based on the criteria contained in the Salem Revised Code. Applicable criteria for each case, referenced in the public hearing notice and staff report, can be found in the Salem Revised Code. Applications may be approved, conditionally approved, or denied on the basis of conformity with the applicable criteria. Conditions of approval may be placed on an approval to ensure the proposal complies with all applicable portions of the Salem Revised Code.

ALL ISSUES MUST BE RAISED AT THE HEARING. Failure to raise an issue, accompanied by statements or evidence sufficient to afford the parties an opportunity to respond to the issue, precludes an appeal to the Land Use Board of Appeals (LUBA) on that issue. A similar failure to raise constitutional issues relating to any proposed conditions of approval precludes an action for damages in Circuit Court.

Salem Revised Code (SRC) and other informative documents may be accessed online at:
