Equity Statement

The WSNA (West Salem Neighborhood Association) is committed to reducing equity gaps, increasing access for all, and creating a safe community for everyone.

Safety and belonging for all West Salem residents is vital. We must be inclusive in conducting business and promoting policies that protect age, race, ethnicity, gender, sexual orientation, ability, religion, and other individual identities.

The association commits to integrating equity into the fabric of our association and the delivery of public services in pursuit of equal, fair, and just outcomes for all.
