February 14, 2020

**SUBJECT: City of Salem Police Station Transportation Improvements
Project Number 717600**

Dear Salem Property Owner/Resident:

Construction will soon begin on Liberty Street NE, Division Street NE, and Commercial Street NE to construct transportation and streetscape improvements associated with the new Salem Police Station (see attached map). **The work is scheduled to begin in March of 2020, and it is anticipated to continue through to the end of September 2020.**

Kerr Contractors will be performing this work under the General Contractor, JE Dunn Construction. Construction will occur in several phases and will change the streets and traffic signals to improve access and traffic circulation in the area. The work also includes added on-street parking, landscaping, street lighting, sidewalk, and stormwater improvements.

Currently we are anticipating the following impacts to local streets during the construction:

- Closure of Liberty Street NE between Division Street NE and the Mill Creek bridge in early March, re-opening the northbound lane on Liberty Street NE in early April.
- Closure of the Division Street NE and Liberty Street NE intersection for work beginning in late March and continuing through early April.
- Division Street NE and southbound Liberty Street NE between Division Street NE and the Mill Creek Bridge will remain closed from late March until early June, to complete all other work.

Actual dates will be posted on signs in the area prior to the closures.

There will be additional work on Liberty Street NE, south to the intersection with Marion Street NE, that will require traffic control. The attached map depicts the general location of the planned improvements.

If you have any questions regarding this project, I may be contacted by telephone at 503-588-6211 or by email at lgmazel@cityofsalem.net.

Sincerely,

Luke Gmazel, PE
Senior Project Manager
