June 11, 2020

**SUBJECT: Rosemont Avenue NW Sidewalk Repair Project
Project Number 718501**

Dear Salem Property Owner/Resident:

Emery & Sons Construction Group has been awarded the contract for construction of the Rosemont Avenue NW Sidewalk Repair Project. The project will replace the retaining wall, asphalt pavement, curb, sidewalk, and railing on the east side of Rosemont Avenue NW between 8th Street NW and Cascade Drive NW.

The project is scheduled to begin on June 29, 2020 and continue through September 2020. Rosemont Avenue between 8th Street NW and Cascade Drive NW will be closed for the duration of construction. Detours around the project area will be in effect during this closure as shown on the attached map. Pedestrians and motorists should use caution and expect some delays. The sidewalk on the west side of the street will remain open for pedestrian use during construction.

If you have any questions regarding this project, please feel free to contact me at 503-871-1977 or via email at tthomson@cityofsalem.net.

Sincerely,

Troy Thomson, PE
Senior Project Manager
