November 3, 2020

**SUBJECT: Winter Street NE Storm Sewer Pipe Rehabilitation  
Project Number 202020**

Dear Salem Property Owner/Resident:

The City of Salem has contracted with Emery & Sons Construction Group LLC to repair a failing and damaged storm pipeline located on Winter Street NE from Market Street NE to D Street NE (see attached map).

**Construction is scheduled to begin the week of November 9, 2020 and is anticipated to be complete November 25, 2020.** Due to excavation required for the rehabilitation of the storm pipe, Belmont Street NE and E Street NE between Winter Street NE and Cottage Street NE will be closed to through traffic and parking during periods of construction. Local access to homes will be maintained. Additionally, sidewalks along the west side of Winter Street NE will be periodically closed during construction.

If you have questions or concerns about this project, feel free to contact me at 503-588-6211 or by email at [jcasteel@cityofsalem.net](mailto:jcasteel@cityofsalem.net). Thank you for your cooperation while we complete this project.

Sincerely,

Jerry Casteel  
Engineering Associate
