Good afternoon Jamie,

Our team has completed our review of the additional items entered into the record, as well as the revised staff report.

We believe, once again, that staff has done a great job in addressing citizen concerns in your report and agree with its conclusions, recommendations, and condition as presented.

We appreciate all you have done and would like to thank you and all of City staff for all the hard work that went into this report and the hearing.

We support staff's position and condition as outlined in your report and look forward to tomorrow evening's hearing.

**Thank You,**

**John Eld**
