

- Response used to be 200-300 when ^{police} position posted 40-50 now.
- Covid still effects arrest + jail space for low level crimes
- In 10 years - no new police officers when pop., homelessness & crime have increased + increased.
- It's a tug of war where services + money can be spent.
- Wornack says lunch meetings work for him!
Many others agreed.

#8. Neighborhood Homeless Update

- Cory showed pictures from the security cameras of homeless wandering in our park. Told of 5 officers trying to subdue one man.
- Park watch group - suggested for Cascade. Problem is: not enough \$ for police response. Plan is to open CGP in July. For that to happen & be safe - more attention & coordination to sanitation may be a help. Since our ^{city} ~~city~~ has more homelessness we need to be a top priority on the list.
- Cory ~~showed~~ ^{projected} an area map showing currently popular "camping" sites.

• Church in the Park is planning a Motorhome camping site.

- No Committee Reports except Airport Use Report (attached)
- 25th traffic light is "back-ordered" due to pandemic
- Bike lane + ped. path to college along road behind airport & So. Turner Road is still needed for safety. No other route available or designated
- Suggested more flowers in front yards to promote Bee health at RFD
