

# SHAPE YOUR NEIGHBORHOOD DELE FORMA A SU VECINDAD

**Participate with your neighbors to make the most of your community!**

***¡Participe con sus vecinos para hacer lo mejor de su comunidad!***

## **What's a Neighborhood Association? ¿Qué es una asociación de la vecindad?**

A neighborhood association (NA) is a group of residents, businesses, property owners, schools, agencies, and congregations within a designated geographic area. If you live, work, or own property in Salem, you are automatically a member of at least one NA (don't worry—there are no dues!). Neighborhood Associations meet regularly to address local issues & concerns, improve their neighborhoods, and involve residents in local decision-making that affects their neighborhood, like park improvements, land use changes, transportation & crime prevention.

Una asociación de vecinos está compuesta de todos los residentes, negocios, propietarios, escuelas, agencias, y organizaciones religiosas dentro de un área geográfica designada. Si Ud. vive, trabaja, o es dueño de propiedad dentro de Salem, Ud. es automáticamente miembro de una asociación de vecindad (no se preocupe, no hay ninguna cuota). Las asociaciones de las vecindades reúnen regularmente para tratar temas y preocupaciones locales y mejorar la vecindad. Las asociaciones permiten que los vecinos tomen parte en las decisiones locales que afectan sus vecindades, como los mejoramientos a los parques, el planeamiento del uso de terrenos, la transportación, y la prevención del crimen.
