The regular meeting of CANDO was called to order at 6:00 p.m., on Tuesday, November 15, 2022. The meeting was conducted by Zoom video-conference. The Chair and Secretary-Treasurer were present.

The agenda and minutes of the October meeting were approved unanimously.

Councilors Stapleton and Nishioka reported their activities since the last meeting.

The board heard a presentation by Julie Warnke on the Neighborhood Traffic Management Plan. Following the presentation, the board agreed to renew its letter supporting the City of Salem's application to the Oregon Community Paths Program for a grant to fund construction of a path running from City Hall, under Commercial Street and the railroad, to Riverfront Park at or near the Eco Earth (aka acid ball).

Michael Livingston's motion to reconsider the motion to adopt 2022-2023 annual goals passed unanimously. Following discussion, the board agreed unanimously to adopt a single civic engagement goal for 2022-2023, to wit: "To provide continued financial support for Mid-Valley Resources (<https://www.midvalleyresources.org/>)." Livingston's motions to appoint an e-newsletter workgroup at CANDO's next meeting and to cancel the December meeting also passed unanimously.

There being no further business before the board, the Chair adjourned the meeting at 6:00 pm.
