The applicant named above hereby acknowledges and declares that this application is made with the following understandings and stipulations:

1. The applicant will ride as a passenger in motor vehicles owned by the City of Salem and operated by employees of the Salem Police Department. Such transportation is furnished to the applicant purely gratuitously, as a revocable privilege, so that the applicant may observe the daily routine operation of the Salem Police Department on patrol.
2. Routine patrol duties may involve the operation of police vehicles in emergency conditions as authorized by O.R.S. 820.300. Such operation may involve greater than normal speeds, justified disregard of certain traffic control devices and rules of the road, etc. The circumstances requiring emergency operation may include, but are not limited to pursuit of other vehicles and expeditious transit to suspected crimes in progress. Such circumstances are so varied that an exhaustive list cannot reasonably be compiled. Determination of when to operate a police vehicle as an emergency vehicle is within the sole discretion of the Salem Police Department and its officers.

4. The applicant recognizes that in an emergency, a police officer may not be able to both perform their duties and dismiss the applicant from their presence, thereby subjecting the applicant to the same risks as are presented to the officer. The applicant recognizes and acknowledges assumption of this risk.

The applicant agrees to keep confidential all observations and conversations which may emerge as a result of their participation in this program. **Please note: Audio/video recordings and photographs are not allowed.** The applicant recognizes the possibility of being civilly liable for any disclosures of this confidentiality.
6. The applicant recognizes that during the course of participating in patrol observation, the applicant will become a witness to traffic violations and criminal offenses. The officer will provide the applicant's name and address as a witness whenever applicable. The applicant acknowledges that as a witness, there is a potential of being subpoenaed to testify in court.
7. The applicant recognizes that if they require medical assistance, including first aid and/or ambulance service, the Salem Police Department will arrange for the same. The applicant hereby consents and agrees to pay any and all costs incurred or accruing in connection therewith.
8. In consideration of the acceptance of this application and granting by the Salem Police Department of the privilege of acting as a patrol observer, the applicant does hereby forever release, discharge, and acquit the City of Salem, its officers, agents, and employees from any and all claims for death, personal injury and/or damage to property of any nature which may arise from or in connection with their participation hereunder.
9. This patrol observation may be canceled or terminated at any time at the discretion of the on-duty shift commander.
10. **The applicant understands that physical activities or hazards may include, but are not limited to navigating varied surfaces and terrain; changing weather conditions; uneven and/or slippery ground; varying slopes and surface conditions; walking and potentially running; and elevated stress levels. The applicant is physically fit and able to participate in such activities and agrees to be solely responsible for making this assessment or having a medical review prior to participating. Applicant represents there are no health related issues that would restrict such activities.**
