Absent: Al T.

Approval of Minutes: passed with corrections made.

Police Report: Officer Danner gave his report and updated us on what has been happening in the MNA area/

Traffic Calming: Kevin Hottman from the city of Salem talked to us about what we can do to help slow traffic. In this next year the city is adding stop signs, passing lights and speed humps all over the city to help calm traffic. Royvonne St. Traffic is a mess. Trying to turn left off of Royvonne is impossible. MNA request a No Left turn from from Royvonne onto Commercial. Alan Meyer will write a letter to obtain a request for a count on how many left turns are made and then to go to council for a request for a sign.

City Council Report: Next meeting in January will swear in 1 new councilor. Approval to having up to 2 deputy City Managers. Trevor will talk to mayor Hoy about communications with the Parks Department.

Committee Reports:

Traffic: already discussed.

Land Use: Reed Rd. To Battlecreek has been completed. Pringle Creek Community is leasing space for office use. The Tanaska Group is looking at property (5 acres) to place a battery substation. More information is coming.
