Bev called the meeting to order at 7:08pm.

No city councilors or police present.

Bev is not continuing as chair. Blake is ok to continue as vice-chair IF there is a chair in place.
Unknown if Sue Hecock is able to continue as Land Use Chair.

Bev opened the floor to volunteers to join the board and officer positions. Melissa Lang-Bacho would like to serve as a board member and as Recorder. Bev and Blake approved adding Melissa to the board. Bev will send out an email so we can get a vote from the existing board to install Melissa as Recorder.

Bev will send August meeting minutes to the Board for email vote.

Blake moved that we start meeting every other month rather than every month. Bev seconded.
Bev will send a motion to the Board for an email vote.

Melissa and Rose thanked Bev and Blake for their service.

Bev will send an email to the board for email votes and then resign. Bev will update Irma on the status of our Board. We will not have a chair and it's unclear who is remaining on the Board and in officer positions.

Adjourned 7:20pm.

*Note- Councilor Vanessa Nordyke did show up to the meeting after her other meeting, but we just missed her.
