NOTES

SCAN Goals For 2023 – 2024

- Advocate with the City to improve the transportation system for walkers, cyclists and public transportation users.
- Advocate for parks improvement.
- Support and encourage more medium density housing developments across the City, and oppose unoccupied short term rentals as they remove housing stock for Salem residents.
- Encourage the City to take bold actions to achieve the goals of the Salem Climate Action Plan.
- Find and use accessible methods for neighbor involvement to better represent the whole of our neighborhood.
