

Tips on Using Reusable Bags, and Keeping them Clean

Don't Forget:

- ✓ Start your shopping list with "bring bags."
- ✓ Store reusable bags in your vehicle.
- ✓ Keep a reusable and foldable bag in your purse, backpack, or briefcase.

Keep Your Reusable Bags Clean:

Wash cloth reusable bags in a washing machine, and dry using a dryer or air-dried.

Hand wipe plastic-lined reusable bags with normal water and soap. Let air-dry.

Make sure reusable bags are clean and dry before storing them.

Use a disposable plastic bag for raw meats and produce, keeping both separated.
