City Reports

- **Officer Walker, Salem Police Department**
 - Common issues in the area include
 - Open car windows and house windows allowing individuals to enter.
 - Animals left in vehicles causing a potential health risk for the animals in the summer heat.
 - Concerns were raised about the Pembroke Apartments and smoking.
- **Sally Cook, Salem City Council**
 - Sally discussed the recent water concerns and what is being done at the city to ensure safe drinking water.
 - Sally described the Neighborhood Walk program and the opportunity to have regular walking route maps. There are currently no walking paths for the program in our neighborhood.
 - Sally described the work being done on the Safe Routes to School program.
 - Sally discussed work the city is doing around homelessness.

Motion: Freddy Todd motioned that the Faye Wright Neighborhood Association participate in the Safe Routes to School Program. Patricia Todd Seconded the motion. All Board members were in favor. Sally would take this information back to the city with the addition of our name to the participants.
