

Morningside Neighborhood Association
Minutes to Brief Board Meeting in Association with Annual Open House
Wednesday, May 23, 2018
Painter's Hall, Pringle Creek Community

This event began on time at about 6:30 PM, and was attended by almost 100 neighbors – including representatives from local businesses and city government. Most of the proceedings involved conversations, announcements, door prize drawings and brief presentations from the exhibitors.

Board members present also reaffirmed MNA's approval of the expenditures made for producing and printing flyers and other materials to promote the event, and for the rental of the popcorn machine from A-to-Z Party Rentals of Salem; and necessary reimbursement to Board Member Muriel Meyer for those expenses.

The event ended at about 8:00 PM.
