
COMMUNITY DEVELOPMENT DEPARTMENT

TO: RECIPIENTS OF PUBLIC HEARING NOTICE
FROM: BRYCE BISHOP, PLANNER III
DATE: NOVEMBER 23, 2021
CASE FILE NO.: CA-ZC21-01 / Ordinance Bill No. 13-21
SUBJECT: 2021 UNIFIED DEVELOPMENT CODE (UDC) UPDATE

The public notice included with this mailing concerns an upcoming public hearing before the City Council regarding proposed amendments to the Salem Revised Code (SRC) updating the City's zoning and development code, known as the Unified Development Code (UDC). The amendments address a variety of issues that have arisen since the last major update of the UDC in 2019 and include policy-related changes that respond to concerns from the community, minor housekeeping amendments, and updates to implement changes in State law.

Examples of proposed changes include:

- Increasing the types and numbers of poultry that may be kept in the City;
- Allowing middle housing (e.g. townhouses, duplexes, triplexes, quadplexes, and cottage clusters) within the City's residential zones as required by the passage of State House Bill HB2001;
- Eliminating the General Retail/Office and Front Street overlay zones and incorporating their design review standards into an updated CB (Central Business District) zone with improved design and development standards;
- Allowing managed temporary villages for the unsheltered and emergency shelters as temporary uses; and
- Allowing self-service storage within existing CB zoned buildings in the downtown, subject to limitations on location and design.

Other proposed changes clarify land use review procedures, definitions, and development standards, such as pedestrian access requirements. The proposed amendments also add and, in some instances, eliminate, certain uses in some zones.

Proposed Zone Changes

In addition to the proposed amendments to the UDC, the zoning of specific identified properties within the downtown (**see attached map**) that are currently zoned RH (Multiple Family High-Rise Residential), CO (Commercial Office), and CR (Retail Commercial) are proposed to be changed to CB (Central Business District) in order to be consistent with the Central Business District (CB) zoning of surrounding properties.

The complete list of proposed amendments to the UDC be found on the City's website at the following location:
