#### **b.** Willamette Heritage Center request for proceeding with CIP grant

Willamette Heritage Center submitted a letter requesting confirmation of funding and a contract to proceed with their Caboose Exhibit, in order to stay on schedule for the Grand Opening Event featuring The Caboose, in its remodeled form.

Group discussion was funding is available at this moment, but revenues are coming in poorly and the future is still difficult to predict. The Board remains resolute in staying lean with TOT funding promises, as the future may or may not bring the needed funding to meet every obligation for the 20/21 TOT Grants. Noting the Capital Improvement Grants are a "refund" grant, for projects complete and receipts turned in, the board wishes to hear more

details about the completion time-line for the Caboose project and the impact to Willamette Heritage Center if the Caboose does not get remodeled this year.

**Motion:** Request additional details about the time-line and impact of the Caboose project from Willamette Heritage Center.

#### **c.** Sub-Committee scoring rubric language recommendations

Felipe Gonzales, Ryan Gail, Omar Alvarado and Gaelen McAllister worked on the CTPAB Scoring Rubric for some additional clarity and to recommend any needed changes or improvements.

Their objective was to reduce the human error factor in scoring and allow board members to justify their scores and help applicants to know how their application will be scored and therefore achieve a higher score. The points system was changed. 22-25 Passing; 18.75-21.99 Average; less than 18.74 Unsatisfactory score.

A "Comment Box" or "Notes" section, to give applicants scoring feedback was discussed.

**Motion:** To approve the Scoring Sub Committee's recommendations as presented.

Motion by: Rita Siong
Seconded by: Omar Alvarado
ACTION: APPROVED

 Vote:
 7-0

 Aye:

 Abstentions:

The Facility Operator funding for less than passing scores was discussed. Does the Board want to keep the language where Facility Operators can receive a failing score and go unfunded? Scott Snyder noted the changes give greater clarity guiding applicants to receive a passing score. Scott Snyder also noted we still have a second review to look at those that missed a passing score by only a small margin. Gaelen McAllister noted the board may not have remembered a failing score disallowed the Facility Operator to receive funding. That reminder ahead of scoring this year should also help. The board wants to keep the standard and "passing score" requirement in place, and believes the current Facility Operators are all capable of meeting passing scores and receiving funding.

**Motion:** Motion to keep line item #7, requiring Facility Operator applicants to receive a passing score to receive Grant Funding.

Applicants will need to send their requests to attend to Chris Neider ahead of the meeting, to receive the meeting link.

Attendance at the two meetings will be taken and noted. Attendance at one or the other meeting is a requirement for Grant Application. Chris Neider will send out the Press Release announcements around September 23, 2020. It will also be posted on the City's web pages.

**Motion:** Motion to approve the Press Release in English and Spanish.

#### 6. IFORMATION ITEMS

- a. Cultural and Tourism Fund Reports June, 2020 and August, 2020
- b. Cultural and Tourism Fund Revenue (Tax) Reports June, 2020 and August, 2020
- c. Facility Operating Grant Reports Bush House Museum, Deepwood Estates, Gilbert House Children's Museum, Hallie Ford Museum of Art, Salem Multicultural Institute, Willamette Art Center, Willamette Heritage Center
- d. Event Grant Reports Elsinore Theatre Drowsy Chaperone
- e. Capital Improvement Reports Elsinore Theatre Façade Removal
- f. Annual Reports None

Chris Neider noted Travel Salem should be able to provide information on how other cities are doing through this unprecedented time, with their tourism revenues collections. City of Salem's year-end total was only a 17.44 % reduction, which is positive compared to the individual monthly revenue shortages, which were much greater.

Rita Siong would love to hear from Travel Salem what other communities are doing that does work, to mitigate the losses of revenue for tourism in their communities. Scott Snyder noted that "small events" and outside sports events, such as pickle ball, are working. Tourism destinations are utilizing media sources with the message of "come to our community, WHEN you feel comfortable." Trends and successes are being shared amongst tourism industry folks via Travel Salem. Scott Snyder also noted since Salem is a "Regional" destination, that will help Salem survive this difficult period. Travel Salem will be hosting a virtual meeting Thursday, September 17, 2020, 3:30-4:30 PM. This will be a chance for destinations to talk about what has been working and resource on what they're doing from a marketing standpoint, discuss trends, etc. Please contact Travel Salem if you wish to participate. Gaelen McAllister noted her Kudos to the Salem area Culturals for focusing their efforts on what they CAN do to stay relevant and prepared in this current climate.

#### 7. APPEARANCE OF INTERESTED CITIZENS

(Virtual Meeting – input required ahead of meeting, via email to Chris Neider, at **cneider@cityofsalem.net**)

Gaelen McAllister noted the boards concern for our Culturals, for the difficulties they are facing and the funding shortages, but she noted the Culturals are able to apply through a State funded grant, and receive some financial assistance through Oregon Cultural Trust, for cultural non-profits, for which all our regulars have applied and should receive some funding to help survive this difficult season.

# 8. OTHER BUSINESS & PARKING LOT ITEMS FOR FUTURE DISCUSSIONS None.

#### 9. ADJOURNMENT

With no further business, Chair Scott Snyder adjourned the meeting at approximately 8:10 p.m.

The next regular TOT board meetings will be the two Grant Orientation meetings, held Tuesday, October 13<sup>th</sup>, 6-8 PM; and Thursday, October 15, at 4 PM. These meetings will be held virtually, via Zoom. Interested applicants should contact Chris Neider ahead of the meetings to receive the Zoom meeting link.

September 25, 2020

Dear Chris and the CTPAB Board:

Salem's Riverfront Carousel was recently granted funding for Santa at the Carousel as part of the FY2020/2021, for that we are truly grateful.

Unfortunately, with the ongoing COVID-19 health crisis that has impacted the way we would traditionally manage our holiday Santa events; this year's programming will not be fully executed as in previous years. Due to the State of Oregon's restrictions on public gatherings and continued social distancing the following annual holiday events have been canceled: Carousel Express: Santa's Arrival by Train, Breakfast with Santa, Tea with Mrs. Claus, In the Kitchen with Mrs. Claus and Santa's PJ Party.

However, we have found a viable way for families to still be able to enjoy the annual holiday ambiance of our unique location! Our focus remains on our ability to safely gather families together during this special time, participating in a variety of ways that continue to enhance the experience people have come to know and expect from us.

Most encouragingly we propose to move forward with our traditional Santa's Visitor Booth opportunity for people to meet with Mr. Claus here at the Carousel. Using the space normally reserved for private parties (though shutdown due to interruption of services because of the pandemic), we plan to develop a safe, sanitary visitation area for Santa's workshop, separated from the rest of our operations with its own entrance/exit yet visible to all who come to the Carousel. Pre-paid online options, takeaway activity and craft add-ons and upgrades as well as digital downloads are also part of the re-structuring for this event. We believe this re-design will be both acceptable and successful under the circumstances.

Carousel Letters to/from Santa Claus will continue to be offered and managed this year, with fully integrated online submission being added to the process.

In addition, new, substitute, virtual programming will be implemented to make up for the canceled, catered, large group, in-person events that are canceled. Development includes brand new Virtual Visits with Santa and Personalized Video Massages from Santa, using Zoom technology.

2020 events will include new options for online booking and notification of reserved appointments that will be managed through our website.

I have attached a new budget for the revised and unexpected changes from the previously submitted pre-COVID 2020 holiday event schedule.

We appreciate the continued support this grant funding provides us in underwriting the cost for the 2020 holiday calendar of events. Our goal is to provide a consistent, magical experience for family holiday traditions that the Carousel has provided for the past sixteen years to our community.

Thank you for your consideration once again.

#CarouselStrong

The contractors working for Gilbert House Children's Museum completed the new entry way, Bill's Bubble Factory, and Nature's Workshop in September. The new exhibits will engage young children in learning science concepts and be an attraction for people to visit. The improved appearance and accessibility will be welcoming for tourists to the area when the museum can reopen. Picture attached.

13. Report on one of the benchmarks or performance measures used by your organization. Include the outcome, goal and method used to track as provided in your application.

The Executive Order No. 20-27 of the Statewide Reopening Guidance states, "This guidance permits museums and aquariums to open with noninteractive exhibits, but interactive exhibits are not permitted to operate at this time." Gilbert House Children's Museum exhibits are specifically designed to be interactive and are restricted under the State of Oregon guidelines.

Although we are closed to the public, the reduced staff and board are committed to the mission of Inspiring children to learn through creative play. In performing this mission we enhance the quality of life for people in our community and embrace a culture of diversity. In July and August, Gilbert House partnered with Salem Multicultural Institute to prepare 1,000 craft kit bags for children. The crafts were inspired by four international cultures with instructions in English and Spanish. The kits were assembled with the help of volunteers and distributed through partner organizations. It was important to both organizations that the craft kits be provided to children that are without resources during the summer. Therefore, the bags were distributed through Salem Dream Center, Mano a Mano, St. Francis Shelter, and the Salem-Keizer School District School Lunch Program. Pictures attached.

Gilbert House Children's Museum applied for and received a Payroll Protection Program loan in September which accounts for most of the income listed in the report. The loan is being used to rehire limited staff and for the ED to go back to full-time. The staff has been very busy creating new ways for families to "Bring Gilbert House Home". The website has been updated to reflect new programs and direct patrons to current information. The museum launched "Autumn Re-Engineered" at the end of September to highlight new programs including Gillie's Boxes of Creative Play and Gillie on the Go.

# 12. What did your organization do to contribute to Salem's appeal as a tourist destination? Highlight one activity that occurred during the period.

Every day, we are faced anew with the many unknowns of the Covid-19 health crisis, and like many other organizations in our community, the Salem Art Association (SAA) has sustained unprecedented losses. As an arts organization, we are on the frontlines of seeing the lives of artists devastated by the sudden halt to their livelihoods. While the Bush Barn Art Center facility remains closed due to the pandemic, SAA is still operating and providing virtual art resources, getting art supplies out into the hands of underserved youth, and pivoting major art events to successful virtual events. Staff have been working diligently on various fronts to continue to provide services to our community that are appropriate for the times we are experiencing and to ensure the safety of the people we serve by offering quality arts learning and services through new, flexible delivery methods.

To this end, for nine days in July, SAA produced the first-ever Salem Virtual Art Fair that offered an online platform for 126 participating artists in an effort to provide them with some relief from the severe financial strain they have realized since Covid-19 began. The Salem Art Fair & Festival has been held for 70 years on the third weekend in July with many people in Salem and tourists from all over the U.S. attending year after year. To commemorate this proud Salem tradition, the Virtual Art Fair also began on the third weekend in July. We are pleased to report that due to positive feedback from participating artists, it was soon decided to extend the event for a week, which ran through July 26, 2020.

Following are excerpted portions from Sandra Burnett's September 15, 2020 Update Report to the TOT Board:

#### SALEM'S FIRST VIRTUAL ART FAIR, July 18 through July 26, 2020

I hope you all had a chance to visit the Salem Virtual Art Fair. This was a massive effort put together in approximately 7 – 8 weeks. As a first time attempt at this format, it came off very well. There was much enthusiasm overall and appreciation of the scale of the achievement. The artists were enthusiastic and reported good sales. The videos were much appreciated: especially the artists' personal videos and the demo videos. All of this is archived on our website and can be accessed from the Art Fair page.

The Virtual Art Fair was a massive effort that we considered appropriate under the circumstances, as it had the potential to serve the artists in a way that is most meaningful for them at this time (sales). It also recognized the importance of this signature event to the community of Salem and demonstrated its continuity through challenging times.

#### Some comments from artists:

I think you guys did an incredible job putting together the virtual art fair this year. I have been working on developing a similar project for Art In The Pearl in Portland and I hope to be able to have half of what you guys made happen here. I hope you get lots of love and visitors this weekend. Great job!!! (David Friedman)

Thank you for organizing such a great online fair. I have never gotten so many Etsy orders in one day! (Rodi Ludlum)

We want to thank you and the Salem Art Association for their extraordinary work on this Virtual Art Fair! We are getting responses and sales. We have been pushed to further develop our online presence and are grateful for that! (Marilyn Lindsley)

Hi - it's been a great sale so far! Thanks again for everything you're all doing. I've always felt supported by the Salem community and this year is no different! (Sharon Greenwood)

## 13. Report on one of the benchmarks or performance measures used by your organization. Include the outcome, goal and method used to track as provided in your application.

Outcome #1: Art Fair will attract 35,000+ attendees

Goal Target: 16-18% of attendees will come from over 50 miles

Method Used: Comprehensive marketing campaign, ticket sales, zip codes collected

Because our benchmark for the Salem Art Fair & Festival was developed before Art Fair had to be canceled due to the Covid-19 pandemic and the governor's order mandating restrictions on in-person events, we cannot report on attendees coming to the Art Fair. However, at the Salem Virtual Art Fair, we did track 2,282 unique points of entry and had 126 participating artists.

We were also able to conduct a broad marketing campaign and use alternative methods of data collection to measure the success of the Virtual Art Fair.

Excerpts from Sandra Burnett's September Update Report:

We had very little marketing budget but did what we could. Marketing was done through digital billboards (on a total of 5 billboards for 2 weeks), posters, eblast, social media, and foundations, sponsors, partners' networks. I sent out a huge number of emails, and we got reposted on a number of other sites, like Chamber of Commerce, Salem Cinema, Travel Salem etc. There were newspaper articles in Statesman Journal, Salem Reporter and Press Play. Wendy Brokaw and CCTV did a feature with an interview and demonstration and it was on their schedule many times.

There were a couple of tracks of data collection. The first tracked visitors to the map and then the visitors to the publications which counted page views (indicating visits to artists in the catalogues). We could not track video views because they were embedded in the lightboxes/pop-ups on the map, so they only got counted once when the visitor entered the site. In total, there had been over 24,000 page-views on the map itself with 2,282 unique points of 'entry' (how many folks used any one point of entry is unknown). We can't determine how many visitors viewed the fair together. Particularly, it is hard to gauge attendance of children visiting with parents or multiple people (a family) experiencing the fair on any one computer or phone. The event saw global visitors from the USA, United Kingdom, South Africa, Canada, Australia and Russia.

The Willamette Art Center started back up in mid-September with limited fall classes. Both of these events were very well attended and brought in a little over \$5456 net profit for the Center. Our Fall Classes also started in September.

Facility attendance decreased from 4940 in 2019 to 1660 in 2020, a decrease of 66.46%. Data was collected by daily hand tally and sign-in sheet. The decrease was due to statewide COVID-19 restrictions, decreases in classes, students and studio pass patrons, and limited hours open.

#### **FOURTH QUARTER REPORT 2019-20**

April, May, June

#### INTRODUCTION

Travel Salem is pleased to submit the tourism and convention fourth quarter report for 2019-20 pursuant to City of Salem contract section 1.5. The contract stipulates that quarterly reports include a financial report, an overview of Contractor's activities, and a statement of output measurements. This report fulfills these contractual requirements.

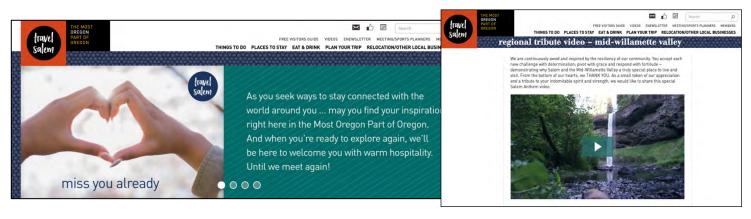

All programs and services tie back to Travel Salem's 2017-2020 Strategic Plan and the 2019-2020 Business Plan, and drive toward six main objectives and strategic initiatives: community relations and engagement; capacity building; marketing & communications; destination development; conventions sports and events; and convention services.

COVID-19 hit in mid-March with the industry realizing unprecedented impacts. Travel Salem responded swiftly, laying off 30% of staff and cutting the budget to only essential operations. The organization pivoted all efforts with a focus on inspirational content, and supporting the community, stakeholders and local businesses. This Fourth Quarter Report shares outcomes related to Travel Salem's response to the pandemic.

#### **EXECUTIVE SUMMARY**

#### **Marketing & Communications**

- Developed & executed a Content Plan focused on "inspirational" messaging to keep the destination top-ofmind and remind visitors and residents alike about all the amazing experiences that await them; all messaging reviewed through a stringent evaluation process to ensure coronavirus sensitivity and relevance
  - O Created the "Miss You Already" campaign to reassure visitors that the destination would be ready to welcome them back when it was safe to travel again (see below left)
  - Utilized in-house talent to develop an Anthem Video as a tribute to the community for making Salem & the Mid-Willamette Valley an amazing premier destination, recognizing the talent and passion of our local residents who create memorable and meaningful experiences for visitors

- Created a **Virtual Visitors Center** to 1) provide easy access for visitors who were exploring destinations from the comfort of their homes, and 2) to serve up specific digital content to inspire future travel; new content was created and existing content was repackaged including the new 19-20 Visitors Guide, virtual experiences, itineraries, 360 virtual tours, videos and more; promoted the VVC via email campaign to 7,000 consumers from past inquiries (see right)
- Created a Salem Strong Ad to promote community spirit and unity;
   published via the Huggins Insurance digital billboard pro bono (17,000 views per day) ... thank you to our friends at Huggins! (see below left)
- Created a **COVID-19 Resources landing page** on TravelSalem.com to assist the community with helpful resources and inform visitors about the precautions taken to ensure safety (see below right)

- Created and distributed a Travel Salem COVID-19 Recovery Plan outlining a three-phased approach for leading the industry back to a position of strength; distributed to cities, counties, Members and stakeholders
- Launched Community Relations efforts to improve communications and create ways for residents to engage
  with Travel Salem; rolled out education and outreach initiatives to increase community awareness on how the
  local tourism engine works and how residents contribute to its success, as well as how locals should play an
  integral role in deciding how the destination evolves through destination development initiatives; proactively
  communicated to Salem Neighborhood Associations about reopening guidelines and surveyed residents to
  gauge sentiment about welcoming visitors back
- Leveraged the national focus on tourism due to the crisis and the heightened value placed on the industry during National Tourism Week (NTW) to thank the community for its support and tout the contributions of the tourism sector to local communities; issued a NTW proclamation, Zoom backgrounds, and secured red tribute lighting on the Union Street Railroad Pedestrian Bridge to represent the tourism industry
- Partnered with the Oregon State Capitol and served on the RFP Review Committee to develop a new Oregon Welcome Center exhibit room focused on Oregon's heritage locations (see right)
- Secured a \$25,000 Oregonian matching grant that will be used to target Oregon and Washington consumers through social media sponsored content
- WVVA created a "Responsible Reopening" program for the
  Willamette Valley; this industry-led effort supports and encourages
  businesses to make specific commitments to health & safety that showcase
  a valley-wide message of unity, care and excellence; all marketing &
  advertising efforts were placed on hold (domestic & international) with the
  exception of social media focusing on inspirational messaging (see right)

#### **OVERVIEW OF ACTIVITIES**

Travel Salem tracks numerous activities throughout the year to monitor, evaluate and adjust marketing strategies as needed. These internal measurement statistics assist with forecasting and trending, and need to be examined as a whole to get a true indication of the industry and performance of marketing activities. Outside influences such as gas prices, weather, natural disasters or inflation, will also have an impact on the peaks and valleys that these numbers may reflect.

# trick-or-treat

Saturday, October 31, 2020 • 12 – 5 p.m.

## Robots, super heroes, and princesses unite!

Looking for a fun, safe, socially-distanced way for your family to enjoy trick-or-treating?

Give your littles some normal this year for Halloween... Join in the fun at the Willamette Heritage Center (WHC) for drive-thru trick-or-treating!

Drive through the WHC parking lot where the "Candy Crew" – local businesses, non-profits, and individuals – will hand out candy while maintaining social distance with a 6' pole. Dress up the kids in their costumes and pack them in the car to get their share of Halloween fun – safely!

This FREE event is first come, first served. No registration necessary. Enter the one-way drive-thru trick-or-treating on 14th Street, just north of Mill Street.

NOTE: This event is drive-thru only, no trick-or-treaters or members of the "Candy Crew" will be able to walk on site in order to maintain Covid-19 protocols. Masks must be worn at all times and the "Candy Crew" will be given gloves to distribute candy.

This event is FREE to the public thanks to our presenting sponsors:
