| Mike Wolfe – Chief Operation Officer at Salem Keizer School District. Update on North construction Project | |
| Discussion | <p>Provided presentation given to students. Look for incentives which can be obtained from Karma at 971-283-6777 or 503- 399-3038. Has free parking at the First Church of the Nazarene so that students do not have to park in the neighborhood.</p> <p>Neighbors are concerned about volume and difficulty of being able to park in front of their homes.</p> <p>Will be looking to convert the field across the street from Parrish MS into tennis courts and parking. Because they’re moving the tennis courts, on-site parking will be increased by 41 spaces, from 295 spaces to 336. In addition, they may be able to put as many as 35 spaces by the new tennis courts.</p> <p>Possible obtaining vacant home on D St and convert that into an access area. By remodeling the current schools the district is able to address overcrowding conditions. Cheaper than building another high school.</p> |
